

## Where Are You From? by *The Baby Grands*

*America, Canada, Korea, Japan.*

*Germany, France, India, Thailand.*

*Australia, Mexico, Brazil, Equador.*

*China, England, Spain, El Salvador.*

*These are places we can go.*

*But there's one thing I'd like to know.*

*Oh oh. Where are you from?*

*Does it rain or have lots of sun?*

*Do the mountains seem to touch the  
sky?*

*Where are you from?*

*Russia, Scotland, Denmark, Gambia.*

*Israel, Jamaica, Iraq, Zambia.*

*Egypt, Haiti, Chile, Pakistan.*

*Iceland, Ireland, Greece, Afghanistan.*

*These are places we can go.*

*But there's one thing I'd like to know.*

*Oh oh. Where are you from?*

*Does it rain or have lots of sun?*

*Are the beaches, warm and red and  
wide?*

*Where are you from?*
